Dear Proposers:

This notice provides an update on the status of the Request for Proposal (RFP) Number 05-45872 for the Domestic Violence Unserved/Underserved Lesbian, Gay, Bi-sexual, Transgender, Questioning (LGBTQ) Technical Assistance and Training Project.

The Department of Health Services (DHS) invokes RFP Section N, Paragraph 9f, rejects all proposals, and cancels RFP Number 05-45872 as being in DHS' best interests.

The Maternal, Child and Adolescent Health/Office of Family Planning Branch intends to issue a new RFP seeking a contractor to provide Domestic Violence Unserved/Underserved LGBTQ Technical Assistance and Training services. We expect to release this RFP later this fiscal year. As previously done, the RFP will be advertised in the Department of General Services' Contract Register.

If you have any questions, please contact Laurie Weaver at (916) 650-0429.

Sincerely,

Susann J. Steinberg, M.D., Chief  
Maternal, Child and Adolescent Health/  
Office of Family Planning Branch
